## - Skylux® PMMA-

**Manufacturer:**

Name: AG Plastics NV  
Address: Spinnerijstraat 100, B8530 Stasegem, Belgium

**Authorised representative:**

Name:  
Address:

Produced in Belgium

**Description of the product (type, identification, use, ...)**

Polymethylacrylate Roof light with pvc, GRP, metal, concrete or wooden upstand, intended to be used for light transmittance for flat and/or inclined roofs.

Provisions to which the product conforms, and reference to the reports and factory production controls, as appropriate.  
See annex report(s)..

External fire performance:	F <sub>roof</sub>
Reaction to fire	E
Resistance to fire:	NPD
Water tightness:	Pass
Upward loads:	UL1500
Downward loads:	DL1000
Impact resistance:	
Large soft body	NPD
Small hard body	NPD
Thermal resistance:	(SW) 5,6
	(DW) 2,7
	(TW) 1,7
	(EP) 1.2
Luminous transmittance:	90%
Air permeability:	A4
Durability:	?A, CU 1, Ku 1

**Particular conditions applicable to the use of the product.**

According to mounting instruction available by the authorised representative.

**Name and address of the notified laboratory(ies):**

- W.T.C.B. Proefstation B1342 Limelette, avenue P. Holoffe, 21  
- SP TECHNICAL RESEARCH INST. Brinellgatan 4 - Box 857, 501 15 Borås, Sweden
